Great Big Live Assembly for Black History Month

Dear Friends

We are delighted to invite all schools to join one of our special assemblies to celebrate Black History Month. After a challenging summer where many people of colour were made to feel unsafe and unwelcome in their own towns, it is more important than ever to come together to promote and celebrate diversity.

This year we are running two Great Big Live Assemblies: one for primary schools (Tuesday October 15th) and one for secondary schools (Wednesday October 16th). Both assemblies will last 20 minutes and will be inspirational and informative. We will explore ways we can feel safe and welcome wherever we are from and whatever we look like.

Our fast-paced, age-appropriate Great Big Live Assembly for Black History Month will feature:

- BAFTA-nominated Children's BBC presenter Gemma Hunt, BAFTA-winning 12 year old presenter Jeriah Kibusi and award-winning diversity author Dr Krish Kandiah OBE who will be hosting this exciting event.
- inspirational input from black personalities and influencers
- focus on this year's Black History Month theme: "Honouring Heroes"
- opportunities for students to be inspired by Black leaders from around the world.
- opportunity to ask questions of the panellists and learn about practical things to help make a difference in your communities.

The assemblies will be streamed live on Youtube. It works best if schools are able to join us live, but if you sign up we will send you a link to watch on catch up later if needed. A special schools resource pack will be emailed out following registration.

Only one ticket is needed per school as your link can be shared with other class teachers.
