The Diocese of
Peterborough

Dear CEOs, Executive Headteachers, Headteachers and Chairs of Governors

On behalf of the Diocesan Board of Education, I would like to thank you for all that you do to support the education of children and young people in this Diocese. I know from my conversations with you that we are very fortunate to have such exceptional Church schools that provide a high standard of education within a loving and supportive Christian ethos. We are particularly grateful to you for the extraordinary commitment and dedication you have shown, with your colleagues and governors, throughout another challenging, but rewarding, year. You are always in our prayers and we look forward to supporting you in the year ahead.

May I commend to you the course, conference and consultancy programme over this next academic year. We know that finances in schools are tight, and we have managed to keep cost increases to 2.5% and further develop our programme, knowing that this offers real value for money and provides strong support for the development of your church school. As well as some of the training that was offered last year, for which we had excellent feedback, we have three more Headteachers' Conferences with distinguished international and national educational leaders, including three Professors of Education this year. We are also holding three evening Governors' Conferences at Kettering Park Hotel, with a two course dinner

followed by two hours of training - highly recommended to all your governors, not just Foundation Governors. In addition, we are offering an exciting selection of webinars from RE Today, which I can't recommend highly enough. A reminder that if you sign up to the Gold SLA virtually all this training is free (and it is discounted for Silver and Bronze). You will also note that we list a number of services that are entirely free of charge to everyone. This is part of our ongoing commitment to all our schools.

As ever, if you buy into the Gold package you will get a DSC (Diocesan Schools Consultant) working with your school each term, for no extra cost to your school, but which actually costs over £600 per school to provide in real terms. We know schools have valued this greatly and it has helped us ensure that all schools inspected under the SIAMS framework receive highly commendable reports, as we continue to work with schools to strive together to provide educational excellence for all. It is a service that not many other dioceses are able to offer, so I commend this to you.

I do hope that this package of training will enhance your work as school leaders and will help your school communities to become even better all-round places of education, where children and young people experience education for life, which is deeply Christian and serves the common good.

With my thanks and best wishes,
Archdeacon Richard Ormston
Chair of Diocesan Board of Education

Diocesan Service Level Agreement (SLA): 2024-25

As part of the wider diocesan family of churches and schools, we offer support to all our Church schools, heavily subsidised by the Diocesan Board of Education (DBE). The Service Level Agreement (SLA) between the DBE and our Church of England Schools is renewed every academic year in September. We continue to receive very positive feedback from schools, who have commented favourably on the range and quality of our courses and conferences, the input of our Diocesan Support Consultants and the responsiveness of our DBE Education Team. Accordingly, the Board has decided to continue with the SLA in a similar format. The SLA will run from 1st September 2024 to 31st August 2025. After careful consideration, whilst trying to keep costs below the rate of inflation in these challenging times, we have made some modest increases to our prices (see the SLA form). We hope you will confirm your school's wish to sign up for the SLA by completing and returning the form as soon as possible, and by 30th September at the latest. This will ensure your school gets full benefits from the scheme and will allow us to plan the input from our Diocesan Schools Consultants and DBE Education Team.

Please note that the costs and benefits are essentially the same for maintained schools and academies, whether in PDET or another academy trust, or a school which is part of a local authority. We hope that you will choose to strengthen your links with the Diocese and the family of Church schools by signing up to the SLA this year, so your school or academy benefits from the training events detailed here and the support we offer.

Training event charges per delegate

This charge applies to schools and academies for each delegate attending our training events. For Gold SLA schools there are up to two free places at the termly Headteachers' Conference at Kettering Park Hotel, which is also appropriate for SLT members and Governors (there is a £40 charge if a place is booked and no-one attends). There are also up to two free places at all other courses and events, for Gold SLA schools (but a non-attendance fee of £30 will be charged for face to face courses to those who do not cancel their booking giving 2 days notice and / or do not attend). The usual charges for courses and conferences, including the discounts for Silver SLA and Bronze SLA schools can be found in the table below. A limitless number of places are available for each Gold SLA school for Governors' Conferences, at a cost of £30 per Governor per evening conference, covering a two course dinner from 6.00-7.00pm followed by training from 7.00-9.00pm, charged at £60 per Governor for Silver SLA schools and £90 for Bronze SLA schools, but the first Governors' Conference on 13 November will be entirely free of charge for all Governors from Gold SLA schools who book before 13 October. All bookings should be made via www.peterborough-diocese.org.uk/church-schools.

Support charged for additional bespoke training in schools

Subject to availability, the Education Team offer bespoke training for schools on a range of subjects at a cost of £500 per day or £250 for a half day or evening session; this fee also covers the cost of preparation, course materials and travel. Please contact the DBE Education Team Administrators to book this on 01604 887060 or email education@peterborough-diocese.org.uk.

HEADTEACHERS' CONFERENCE 13 NOVEMBER 2024 AUTUMN TERM: INCLUSION, FORMATION AND FULFILMENT

Date, Time & Venue	Description	Suitability	Contributor
Wednesday 13 November 2024 9.15am—3.30pm Kettering Park Hotel Kettering Parkway Kettering NN15 6XT	Heads and clergy working together, along with Lucy Moore, Head of The Growing Faith Foundation, Charlotte Nobbs, Peterborough Diocese Children's Mission Enabler, and Alex Carton, Head of Learning and Engagement at Peterborough Cathedral, will explore how we can maximize the benefits of parish churches and church school communities working together imaginatively and creatively, and also in partnership with the cathedral. Elizabeth Olulari, who leads on the 'Leaders Like Us' programme for the Church of England, will then address the theme of including diverse communities that have been subjected to injustice. Natalie Packer will set out a whole school approach to SEND and what makes for the highest quality SEND leadership. Then in the afternoon Marc Rowland will describe the ingredients for a really effective disadvantage strategy and explain how to enact it. HEADTEACHERS' CONFERENCE 7 MARCH 2025 SPRING TERM: THE LEARNING POWER APPROACH

Friday 7 March 2025 9.15am—3.30pm Kettering Park Hotel Kettering Parkway Kettering NN15 6XT	Professor Guy Claxton will share the Learning Power Approach (LPA), a science-based method of teaching that has several desirable outcomes: greater engagement by students; higher levels of academic achievement; better preparation for further and higher education; and a stronger foundation for a fulfilling life. The approach blends a traditional valuing of rigour, grades and the acquisition of knowledge with a more progressive focus on the development of a useful set of transferable, positive <i>learning dispositions</i> such as resilience, independence, curiosity, collaboration and creativity. At this conference, participants will study the foundations of the LPA in both science and ethics, and then learn about the sequence of practical steps that can turn any classroom into an incubator of powerful learning. There will be plenty of time for discussion, questions to Guy, and exploring the implications for professional development in individual settings.	Headteachers, SLT Members, Governors	Peter Cantley Professor Guy Claxton

** We are delighted to have Andrew Lakatos as part of our school improvement team. His experience and knowledge have benefitted many schools in the Diocese. Each year Andrew's desktop risk assessment identifies possible 'vulnerable' schools that may benefit from support more directly linked to Ofsted standards. In addition, this desktop risk assessment also identifies other schools that may benefit from additional support. Though not considered as 'vulnerable', data may suggest some areas that would benefit from focused support. For these schools that have purchased a Gold SLA, this support can be accessed at no extra cost, by simply exchanging the bespoke project time for school improvement time. This equates to one day of standards-focused improvement support. Further Ofsted focused school improvement support for Gold SLA schools can be booked at the significantly subsidised rate of £250 per day thereafter, up to a maximum of four days.*
