

The Easter Message

Hello and welcome to your 'Creative Fun Puppet Pack'. This pack contains all you need to create some puppets that will help you to bring the **Easter Message alive!** All the puppets in this pack have been created at A3 size to create maximum impact - you can print at A4 also but will need to select fit to page when printing.

Double sided wooden dowel puppets

- Jesus
- Angel
- Centurion

For each of the above puppets you will find an A3 size design in this pack for both the front and back of the puppet. This will need to be printed onto A3 white card, cut them out, then take a wooden dowel tape it to the back of the front design of the puppet. Then glue on the back design so the dowel is sandwiched in the middle.

Puppets can be printed onto A4 instead of A3 if you do not have access to an A3 printer (just set printing to adjust to fit A4).
