### Policy Summary

The Peterborough Diocesan Board of Finance (DBF) is committed to prudent financial management by ensuring the appropriate financial controls are in place.

The DBF has a duty to protect itself from penalties arising from non – compliance with HMRC regulations.

Fairness to all staff, officers and clergy employed by the DBF, reasonableness and the effective use of PDBF resources is the overarching objective, which underpins any expenses claim made.

The Diocese is committed to reducing its carbon emissions footprint. One of the most effective ways is to consider the carbon impact of a particular journey and to consider alternative ways of travelling and meeting.

## 1. Document Purpose

This policy outlines your responsibilities as an employee of the DBF when claiming work related expenses. It clarifies what you may and may not claim, and what evidence you must provide to substantiate your claim. It removes any ambiguity when claiming expenses and makes clear the consequences of not working within the guidelines in the policy.

## 2. Introduction – why is an expenses policy important?

- 2.1. To make sure any employee of the DBF are clear on the rules.
- 2.2. To make sure the finance department are clear, on which claims are reimbursable which makes payment (reimbursement) more efficient and faster.
- 2.3. To ensure costs are controlled and the DBF can evidence prudent financial management.
- 2.4. To ensure compliance (governance) with HMRC regulations in place and easy to evidence.

## 3. Guidance and Scope

The following guidance applies unless otherwise instructed by the Chief finance Officer or the Diocesan Secretary.

- 3.1. This policy is applicable to all people employed in a DBF role, including agency workers and volunteers. Failure to comply could result in disciplinary action in accordance with paragraph 24 in the Staff Handbook found here: [Policies](#) including dismissal for employees, and termination of contracts with contractors, consultants or agency staff.

## 4. The five mandatory principles of expenses claims

- 4.1 Fairness to all staff, officers and clergy employed by the DBF, reasonableness and the effective use of DBF resources is the overarching objective, underpinning any expenses claim. The mandatory principles are detailed as follows:

4.1.1. Value for money is always achieved.<sup>1</sup>

4.1.2. Expenses are used only when it is not possible/practical for the DBF to pay for the good/service directly.

---

<sup>1</sup> When booking train tickets staff should avoid using providers such as 'Train Line' where commission is added and should go through the train company website/app. In addition, please consider the benefits of using 'off-peak' day returns or x2 single tickets where these prove less expensive than 'Any Time' Day Returns.

- 4.1.3. Costs incurred (and claimed) are wholly and exclusively for business purposes only.
- 4.1.4. Only actual and evidenced costs are reclaimed. Credit card receipts are not valid – the receipt must show details of the goods/services purchased.
- 4.1.5. The DBF is committed to reducing its Carbon Footprint, and activity and resulting claim should be made in accordance with this commitment. It is expected that all travelling will be organised to ensure mileage can be kept to a minimum; sharing journeys where possible, and attending meetings by TEAMS if appropriate rather than making a car journey.

## 5. Ownership

The policy applies unless otherwise instructed by the Chief finance Officer or the Diocesan Secretary.

- 5.1. This policy is owned by the Diocesan Secretary and managed and implemented by the Chief Finance Officer. Governance rests with the Assistant Diocesan Secretary.
- 5.2. Where any person (employed by the DBF) needs to invoke the policy and requires HR assistance they should contact [andrew.roberts@peterborough-diocese.org.uk](mailto:andrew.roberts@peterborough-diocese.org.uk) who will liaise with the DBF HR providers as necessary.
