Please find registration details below for ExpertEd's **free** webinars. ExpertEd offers schools and pupils the chance to learn through live interaction with experts in a variety of curriculum areas, providing enrichment and curriculum coverage. The first 2 events are for classes of pupils during the school day. The third, Midweek Maths, is for pupils (**years 5&6**) and families to join in the evening. For Midweek Maths please find a letter attached and link which can be forwarded to parents.
