

# Summit Roadmap for Groups & Schools

The World Education Summit meets all of your professional learning needs – access to 4 day live Summit event followed by 1 year's access to a wealth of content and resource on a bespoke learning platform.

# Summit Roadmap for Groups & Schools

Here's a few ideas...

### Coffee Break

Watch, enjoy, reflect and apply.

### Lunch & Learn

Choose a theme or session that resonates with your passion / interest / priority.

All staff access - watch the session; discuss, debate and apply.

Key Member access only - set up a large screen / virtual meeting; show chosen session then in groups discuss, debate, apply.

### Book Club

If everyone has access - choose 3 themes to focus on over the year.

Ask colleagues to watch in advance, then come together to debate, unpack and apply to context and consider how to use them.

### Markethall

Set up stalls / areas for each theme / session / priority, each managed by a key person.

Watch the session, then discuss, debate and apply. Circulate onto next theme / area.

### Symposia

Choose a theme / session that resonates with passion / priority

Watch the session, then in groups discuss, debate and apply.
