Safeguarding: Foundations

This course aims to enable learners to contribute to, and implement, good safeguarding practice within church and community contexts.

On completion of this course, participants will be able to:

- Explore safeguarding within Christian communities with particular attention to the voice of victims and survivors.
- Recognise issues of power and vulnerability arising from the age or circumstances of those affected, and how these issues inform appropriate action.
- Apply some principles for safer ministry to a variety of case study scenarios.
- Identify wider support, accountability and governance arrangements relevant for safeguarding in your context.

- **Recommended time allowance:** 1-1.5hrs.
- **Pass mark:** 75%.
- **Review / Retakes:** Yes.
